

# STUDENT EVALUATION OF INSTRUCTION

**DIRECTIONS:** Selkirk College is committed to providing high quality instruction in all course offerings. We are interested in your thoughtful comments about this course as they will enhance the instructor's ability to do her/his work better. Instructors will not receive their feedback until they have handed in the final grades for their courses. Although your student ID is required on this form and on the computer-scanned form, your ID will not be forwarded with your feedback. To maintain anonymity, all handwritten comments will be confidentially word-processed before being forwarded to the instructor. For the multiple-choice questions, the instructor will receive only group data, no individual responses.

**Read each question carefully as the answer options may differ.** Using only pencil, fill your answers in on the computer bubble-sheet provided. You will be allotted 15 minutes for this task. Thank you for taking the time to provide your constructive feedback.
